Frankfort PTA Gives
\$100 to Park Fund;
School Needs Told

Robert Hoyt of the Will County Mfg. Speakers bureau was present at the PTA meeting of the Frankfort public school May 10.

Taking for his subject, "Butch Wants a Chance", Mr. Hoyt spoke about the opportunities of our children and showed statistics why we should try to keep these opportunities offered our children in this country. He compared the opportunities with those of other countries.

President Mrs. Leo Peterson announced the PTA had decided to donate \$100 to the park fund. She stated that nothing had developed on the starting situation as no answer had been received from a letter to Springfield.

Fred Harnack, president of the school board, solicited the support of the community at an election in the near future to improve the school. This is necessary because of the increasing number of registered pupils. He stated that it is fortunate that room 1 is large enough so it can be partitioned for an additional room. Other needed improvements are lights, ceiling insulation to overcome heat loss; improvement in the heating system and a principal's room.

The annual picnic will be held on May 29. Annual reports were given. The following new officers were installed by Mrs. Dwight Cook, Will County Council president: Mrs. Walter Harnack, president; Mrs. Burton Breidert, first vice; Miss Viola Lankenau, second vice; Mrs. Meredith Runk, secretary and Mrs. Orval Schroeder, treasurer. The Past President's pin was presented to Mrs. Peterson.

The room attendance award went to room two which was the only time it was received during the year. At the close of the meeting Mrs. S. Lentz, Mrs. H. Folkers, Mrs. A. Mitchell and Mrs. F. Christiansen served refreshments. The luncheon table was decorated with maypoles surrounded with hand made dolls dancing on the lawn and on the yellow place mats.

Next week we will publish the members of the committees as appointed by the new president.

Aged Man Injured
At Lincoln Estates

The father of Mrs. Andy Werthing, of Lincoln Estates, was struck by a car Saturday, about noon, when he tried to chase his dog off the highway. The man who is 75 years old. His ankle was broken and he suffered from shock.

The accident occurred on route 30 near 75th avenue. It was reported that the driver of the car, a resident of Wheaton, Ill., did everything possible to avoid hitting the aged man, and remained with him until the highway police had him removed in an ambulance to St. James hospital, in Chicago Heights.

ORLAND H. S. BOARD TO HOLD
SPECIAL ELECTION JUNE 24

The questions are sometimes asked of the Orland high school Board of Education: Why is a consolidation of high school districts necessary? Why not just continue to operate our high school as it now is? This article attempts to answer these questions:

Several months ago the Illinois State Legislature passed two new laws about school reorganization. They are:

1. House Bill 1070, which states that non-high districts are to be abolished after July 1, 1953. (Most of the area in Bremen and Frankfort townships lies in such non-high territory.)

2. House Bill 1071, which provides that any district which fails to maintain school for two consecutive years (after August 12, 1949) shall be dissolved and attached to adjoining districts. (The Palos Community high school District No. 222 is such a district.)

While neither of these laws concerns the Orland high school directly, both will influence the future of our school indirectly. This is because 40-50 of the 150 Orland high school students would normally be expected to come to us each year from these two kinds of outside districts. These students now come to us on a tuition basis, and when we lose them, we shall lose \$12,000 to \$15,000 per year in tuition.

The cost of operating our school will be almost as much without

A fire which destroyed a barn and several smaller buildings started on Monday afternoon on the property of George Bump, Homer township road commissioner, on 159th st., between Cedar and Parker roads. Mrs. Bump, who was at home alone noticed that the straw in the barn was afire and called for help.

The buildings that burned included a hog house, with one large hog in it, a granary, with some stored grain, and small sheds attached to the barn. All of the farm tools and baled straw were destroyed. Mr. Bump was working on the road at the time. He had his truck out and a large piece of road equipment that he was using. The snow plow and some of the smaller pieces of road equipment were burned.

The double garage was destroyed but Mrs. Bump was able to get the car out before the fire reached that point.

A gas station on the property north of the burning buildings formed another hazard as the wind was from the north. The Lockport and Orland fire departments, with the help of the neighbors, battled the blaze and saved the gas station. They removed everything in the gas station and three large tanks of gas nearby.

The fire departments estimated the loss at \$8000.00 and only a small amount of insurance was carried on the property. The origin of the fire is unknown. The house next door to them was destroyed by fire several months ago.

Local Club Members
To Talk on 4H Work

Dorothy Kohl, of Mokena, and Kenneth Heisner, of Peotone, have been invited to talk on 4H club work before the Rotary club, of Joliet, at their meeting next Tuesday, May 23, in the Joliet hotel.

Dorothy, who was president of the county 4H club Federation last year, and Kenneth, who will attend the National 4H camp at Washington, D. C. next month, will speak briefly on their experiences as home economic and agricultural 4H members, respectively. Both have made good records as 4H members for several years.

College Couple Tell
Of Their Betrothal

Mr. and Mrs. Russell Whitburn of Menominee Falls, Wis., are announcing the engagement of their daughter, Margaret Ruth, to Richard A. Lambrecht, son of Mr. and Mrs. Arthur T. Lambrecht of Frankfort.

Both students at Elmhurst college, Elmhurst, the couple revealed their betrothal at the school's annual spring prom held Saturday evening May 13 at the Medinah Country club at Elmhurst.

Miss Whitburn is an English major and Mr. Lambrecht is majoring in chemistry. Both are members of Elmhurst's choral groups.

BAKE SALE

The ladies of the Sacred Heart league of St. Mary's church will hold a bake sale in the Cooper & Hostert garage in Mokena Saturday afternoon, May 20.

The sale will start at 1 p. m.

CARD PARTY

The Summit Hill Boosters club will hold a card and bunco party in the school Friday evening May 19 starting at 8:00 o'clock. Hostesses will be Mrs. Robert Niemann and Mrs. Albert Strassenburg.

These students as with them, and the loss of \$12,000 to \$15,000 could be made up only by increasing our local tax rate rather sharply. Therefore, it is not possible for us to continue operating our high school unless we do so by increasing our tax rate.

We have studied the various courses of action open to us, and it seems certain that we shall have higher taxes regardless of which course we follow. The real question which we face, therefore, is this: Shall we or shall we not seek to make our higher tax rate buy a better education for our children? The Board believes that the answer to this question should be YES.

In our opinion, the best available method of improving our school is by the consolidation of the Orland and the Palos high school districts. We urge you to study all aspects of this problem and, if you agree with us, vote for this consolidation in the special election to be held at the Orland School Saturday, June 24.

If you have questions about this proposed consolidation, please send them to the Board or to the Superintendent of Schools—or see us personally to discuss the problem.

Editor Wins Prize
For Special Edition

Mrs. Margaret Semmler attended the banquet marking the last meeting of the year of the Illinois Woman's Press association held recently in the Cordon Club, Fine Arts building, Chicago. She was pleasantly surprised when she was awarded first prize in the 1949-50 association contest offered for special editions of newspapers published by a woman. The award was made for the special souvenir historical edition of the News Bulletin, August 18, 1949 issue.

Harland Merrell, manager of the News-Bulletin, was assisted by Mrs. Semmler in planning this special edition which was run in conjunction with the Mokena annual home coming celebration.

Mrs. Rose Brown, mayor of Tinley Park and a practicing attorney, was Mrs. Semmler's guest at the banquet. The editor of the News-Bulletin has been a member of the press women's organization since 1940.

Physical Exam
Available for
School Children

The summer roundup sponsored by the PTA under their health program, will start here Friday, May 19 at 1:30 p. m. in the Mokena school gym. Physical examinations will be made of all pre-school children who will enter school next fall and all pupils who are passing from the fourth grade to the fifth grade.

The examinations will be made by Dr. E. G. McMahon, assisted by Mrs. Emmett, the Will county public health nurse, and Mrs. Hugo Niethammer, who is the chairman of the local PTA health program. A charge of \$1.00 will be made for each child.

Enders-Bertelson
Wedding, LaGrange

A beautiful wedding took place at 5:30 p. m. Saturday, May 6th in the Grace Lutheran church at LaGrange, with the Rev. Carlstrom officiating. Mr. Fred Enders walked down the aisle with his lovely daughter, Lila Marie, to the strains of Lohengrin's wedding march, to give her in marriage to John Bertelson, son of Mr. and Mrs. Christ Bertelson of Lockport. Bouquets of white snapdragons and stock decorated the altar with lighted candles. Royal Glahn of Evanston, sang "The Lord's Prayer" and "O Perfect Love".

The bride wore a slipper satin gown with chantilly lace with full length train and finger tip veil, caught up with orange blossoms. She carried a bouquet of lilies of the valley and white orchids. Iona Enders was maid of honor for her sister and wore green nylon marquisette with matching hat and carried an arm bouquet of Talisman roses. The two bridesmaids, Mrs. LaVerne Mastronardi and Mrs. Florence Enders also wore green nylon marquisette with matching hats and carried arm bouquets of yellow roses. Leonard Bertelson, brother of the groom, served as best man. Melvin Kropp and James Lauer were attendants.

Miss Rose Enders, aunt of the bride, wore honey beige with green accessories, her corsage was of pink roses. The groom's mother was attired in navy blue with white accessories and wore an orchid.

A dinner for the wedding party was served at the Triangle. The reception was held at the Goodings Grove hall with about 300 guests attending. A huge wedding cake graced the table, surrounded by the many lovely gifts for the happy bride and groom.

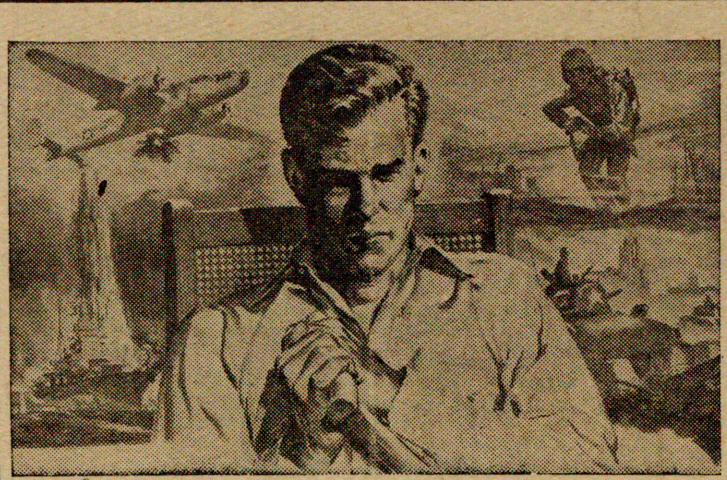

The new Mr. and Mrs. Bertelson left for a 10 day wedding trip to the Eastern States. Upon their return, they will make their home in Brookfield.

Meth. Women Have
Banquet at Frankfort

The Mother and Daughter banquet held in the Frankfort Methodist church, May 10, was attended by 130 members. Mrs. James Lind played several organ selections. The toastmistress was Mrs. David B. Munson. Mrs. Jake Hostert gave the invocation, and Mrs. Lawrence Woodman led the group in singing.

The program opened with a message of welcome by Mrs. Amanda Mark. A quartette, Joyce Bauch, Gertrude Heath, Doris and Ina Ruth Schiffer, sang a tribute to mothers, and Mrs. Edward Lane and Mrs. Harry Miller sang a duet a mother's song.

A tribute from mothers was given by Mrs. Frank Heisner, and the one from daughters, by Donna Mae Miller. After an address by the guest speaker, Mrs. Lloyd Hoover, of Chicago Heights, Mrs. Herbert Bixler presented the gifts to the oldest mother, Mrs. May Heath, 82, and the youngest daughter, Tana Ann Mason, daughter of Mr. and Mrs. Richard Mason of Midlothian. The program closed with a song by the group, "Faith of Our Mothers."

When Poppies Pass

By Helen Harrington

Remember the men who can't forget
the shattered earth, the bursting sky,
the smoking waves, the flame-fired jet,
and silent graves where buddies lie.

Remember the men whose wounds run deep
in heart and mind and flesh, the men
who carry pain, alone, to sleep
and wake to lonely pain again.

Remember the men who must recall
the landing barge, the rotting beach,
and danger looming gun-barrel tall
and peace, a knife-point out of reach.

Remember the men who cannot speak
or, speaking, cry from blades of grass,
"For us the suns of spring are bleak . . .
Remember us . . . when poppies pass."

REMEMBER THEM—

To Canvass Every
Frankfort Home Sat.
May 20, Poppy Day

Mrs. Lewis Ebert, Poppy chairman for Bobbin-Swinford Auxiliary unit No. 1098, and her committee are well under way for Poppy Day, which this year will be Saturday, May 20. It is expected that again this year three quarters of a million more poppies will be sold in Illinois than in any other state.

The little red flowers, replicas of the Flanders poppy, assembled by hospitalized veterans throughout Illinois for months past are ready, awaiting May 20, when every man, woman and child in Frankfort will be asked to wear one in memory of America's heroes, living and dead.

The proceeds from the annual sale of poppies are used exclusively for service to veterans and their families and for community emergencies. Mrs. Donald Carroll, unit president, wishes to remind the public that the hospitalized veterans, many of whom will be living within hospital walls for their remaining years, are the only paid workers in the Auxiliary's poppy program . . . and that the remuneration received during poppy making time is the only means of extra money for many disabled men and women.

In selling the Memorial poppy the members of the American Legion Auxiliary perpetuate the memory of heroes gone, with service to the living.

PTA Will Have An.
Meeting-May 23

The Mokena PTA will hold their annual meeting, the last meeting of the school year, next Tuesday, May 23, at 8 p. m. in the school gym. The school orchestra, under the direction of Miss Catherine Lilley, will play several numbers.

The president, Paul Cowhig, will conduct the business meeting and give the annual report. He takes justifiable pride in the accomplishments of the group and in the interest in its activities, as evidenced by the number attending the meetings and other functions.

The officers for the coming year will be installed. Refreshments will be served during the social hour following the meeting. The public is cordially invited to attend. — L. F. Teague, publicity chairman.

Immunization Clinic

Mrs. Elizabeth Cappel, principal of the Mokena grade school announces that the immunization clinic will be held at the school Thursday, May 25.

All children who are to have their final diphtheria-pertussis-tetanus immunization shots are to be present at this clinic.

CHURCH SOCIAL FRIDAY

The Altar and Rosary society of St. Anthony's Catholic church, on route 30, Lincoln Estates, will sponsor a social to be held in the church Friday evening, May 19. Games will be played starting at 8 o'clock, followed by refreshments.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Charles F. Schult of Frankfort are announcing the engagement of their daughter Shirley Jean to Mr. Harold Peters, son of Mr. and Mrs. William Peters of Tinley Park. No date has yet been set for the wedding.

Friday May 19 Is
Poppy Day in Mokena

The Auxiliary to the William Martin Post VFW will offer the flowers to the Mokena area residents on Friday.

This Flanders Field poppy has been the memorial flower of all English speaking countries through out the world each year and, in addition to keeping bright the memory of the war dead, they are an important source of funds for the welfare of the disabled veterans and needy children of veterans.

Buy and wear your poppy with pride.

FRANKFORT MAN
TO TOUR EUROPE

Attorney Herbert Folkers of Frankfort left today by plane for New York where he will sail Saturday for Europe. He leaves New York City at noon on the largest U. S. ship, the SS America, and will land at Southampton, England 5 1/2 days later.

It has always been a dream of Mr. Folkers to make a trip as this, and now that his son Frank is a student of the Basil university in Switzerland, this seemed the ideal time.

From Southampton he will tour the British Isles and Ireland before going to Switzerland July 15 to join his son. Together they will tour other European countries and on August 31, will sail on the Queen Elizabeth from Cherbourg, France home.

Frank, who was a student at the Galesburg College was recommended by that school to study his junior year at Basil. This was sponsored by the American Council of College Students in Switzerland, 35 American students taking advantage of this opportunity. Frank will finish his senior year at Galesburg. He is majoring in languages which he expects to teach.

N. L. Girl Awarded
Many Honors at Ill.

Miss Rosemary Archibald, age 19, daughter of Mr. and Mrs. Ivan R. Archibald of New Lenox who is a student at the University of Illinois, was elected to the Mortar Board, and initiated May 2. She was one of 20 students selected from the class of 1000 for this honor which recognizes outstanding scholarship, leadership and service.

Miss Archibald, who majored in home economics, has made an unusual record during her attendance at the university. She has served as an adviser, officer and delegate for the Women's Group system, and held office in the Chi Upsilon Omicron. She was a member of the Alpha Lambda Delta and vice president of the Torch in 1949-50.

On May 3 she was elected vice president of the U. G. S. and May 5 received college honors as a member of the upper three per cent of her college class. She was initiated into the Omicron Nu, May 9.

Miss Archibald who is a junior has been awarded a scholarship key, for class honors. She attended grade school in New Lenox and was graduated from St. Francis academy in 1947.

MOKENA SCOUTS
WIN RIBBONS

Against keen competition among 806 Boy Scouts, the Bob White and Eagle patrol of Mokena won ribbons in the chariot and antelope races held on the closing day of the annual camporee on the Wilmington Island the past week end.

The Bob White patrol was under the leadership of Billy Weber and the Eagle patrol under Bruce Scarth. The troop camp was under the supervision of Mr. Walter Schewski, scoutmaster, and Rev. William Riemann, outdoor committeeman.

Thirty-five troops and 95 patrols of the Rainbow council participated in this "Crusader's Jamboree." Over 1,000 persons took part in the mile-long parade through the streets of Wilmington Saturday afternoon. Music was furnished by the Wilmington-Lorenzo school band.

Sunday afternoon many parents and friends of the boys witnessed the Antelope and Chariot races and fire-friction contests by patrols. The total attendance was estimated as exceeding 3,000.

One tragic accident marred the fun of the campers. A blueberry pie, almost done in a reflector oven, was accidentally tipped into the embers of an open fire. So the Bob White patrol boys had no pie Saturday noon.

Mothers-Daughters
Had Banquet May 12

A banquet for mothers and daughters was held in the parlors of St. Peter's Evangelical and Reformed church, Frankfort, Friday night. About 200 guests attended. The tables were decorated with interesting floral arrangements. The program was opened with a prayer by Mrs. Harold Scheer. Mrs. Edward Warning, Guild president, gave the welcome.

Mrs. Walter Hedges was toastmistress. Piano selections, a duet by Joyce and Barbara Scheer, and a solo by Janice Johnson; an accordion and guitar duet, by Karen and Yvonne Peipenbrink; and a vocal solo, by Mrs. Conrad Haakinson, furnished the musical part of the program.

Three skits were presented, one by five girls with Lois Minger, narrator, "The Census Taker," and "The Spring Song." Honors were given to the oldest mother, Mrs. Henry Geuther, Sr. the oldest daughter with mother, Mrs. Herbert Lambrecht, and the youngest daughter, Judith Larson.

Mrs. Erich Bizer talked on "The Fabric of the Family" and a trio, Fayne June Oester, Mrs. Burton Breidert and Mrs. Howard Osmus, sang "Bless This House." Mrs. Kenneth Heusinger, Mrs. Breidert and Mrs. Leroy Hansen, Mrs. Albert Krusemark and Mrs. Wallace Welch brodt gave "What Our Home Needs."

After a candle-light service by Marilyn Hohenstein, Yvonne Koerner, Yvonne Peipenbrink, Mary Ann Heisner, Carole Peterson, Janice Johnson, and Carol Weichelberger the Rev. Erich Bizer closed the program with a prayer.

YOUTH PLAY WELL RECEIVED

The play "Best Seller," presented by the Youth Fellowship dramatic talent of St. John's church in Mokena on May 10, was enthusiastically received by a large audience.

Mrs. Henry Clark, the coach of the production, again proved her ability to discover and develop talent. Those who attended the play were unreserved in their expression of delight in the artistry and content of the play.

Frank Hartman Died
Sunday in Hospital

Frank Hartman, Sr., 58, of New Lenox township, died suddenly in St. Joseph's hospital, Joliet, Sunday evening May 14.

Born in Chicago, Mr. Hartman lived most his life in Homer and Lockport townships and for the last 10 years at his late home on Maple street.

For many years he was employed as machine operator in the Northern Illinois Cereal company plant in Lockport. He was a member of the Cereal Workers Union No. 11 and of the Lockport Loyal Order of Moose.

He is survived by his wife Olga, son Frank of Blue Island; two daughters, Mrs. Betty Dunn, Lockport and Mrs. Marilyn Hlavinka, Joliet; his parents, Mr. and Mrs. Chris Hartman; two brothers, Albert and Herman; two sisters, Mrs. Ethel Anderson, all of Lockport, and Mrs. Elsa Lawson, Escanaba, Mich.

Funeral services were held in the Sonntag funeral home in Joliet Wednesday afternoon with the Rev. Milton Heitzman, pastor of the Lockport Congregational church, officiating. Burial was made in the Hills of Rest cemetery, Joliet.

The Mokena Music Association at their last meeting completed plans for the music festival to be held in the Mokena public school, Saturday, May 20.

The public schools of Tinley Park, Elwood, Orland Park and Mokena will participate in the festival.

Miss Catherine Lilley, the instrumental music teacher in the Mokena school, will be in charge of the affair. The afternoon program will begin at 3:00 and will include group and solo numbers. Mr. Peter Labello of Joliet High school music department, will act as critic during the afternoon session and will direct the massed chorus and instrumental groups in the evening.

At the conclusion of the afternoon program the Ruth Society of the Immanuel Lutheran church will serve lunch in the church building to all visitors as well as any local people.

The evening program is open to the public who are cordially invited and urged to attend. It will begin at 8 o'clock and will feature the best of the afternoon's program and in addition, selections by the Mokena men's chorus. Directing the chorus is Mr. Oliver Kleslar, who will present several vocal numbers.

The Music association members have been enthusiastic in planning the affair and hope that it will prove successful enough so that the Festival may be established as an annual event.

There will be no admission charged but a free will offering will be taken.

New Lenox PTA
Gives \$400 for Equip.
Installs Officers

The final meeting of the New Lenox school PTA was held May 9 in the auditorium. John Oster, program chairman, presented Miss Falks and her second grade pupils. They gave a short play, "Tom Thumb Wedding." Rosalind Wise and Jane Oram gave musical selections. Stanley Bruns and Bruce Damerall played a piano duet.

Mrs. Sam Carr presided at the business meeting which was opened with the pledge to the flag and the American creed. Routine reports were given.

The Homemakers are going on an all day trip today to radio and TV stations in Chicago. Mrs. Merfeld announced the spring roundup at stated that any child entering school or the fifth grade in the fall must have a physical checkup at that time.

It was decided to spend the \$400 which is in the treasury by purchasing new stage curtains; song books play ground equipment; donating to the band and to the National PTA; to purchase a scale for the new school on the north side. A request was made for anyone who could, to come to the gym Saturday May 20 to help make the new stage curtains so they would be ready before graduation. Portable sewing machines will be welcomed. A potluck dinner will be served at noon.

Mrs. Earl Ullrich and Mrs. Henry Engel gave a report of the PTA convention in Chicago.

Supt. Oster installed the following new officers: president, Mrs. Earl Ullrich; vice president, Mrs. Burton Gillette; secretary, Mrs. Henry Engel; treasurer, Mrs. Carl Becker. The new president announced the following chairmen for the year: publicity, Mrs. Lorne Gay; program, Mrs. Leonard Heimerdinger; magazine, Mrs. Frank Camerling; homemakers, Mrs. Walter Hamilton; auditing, William McGowan; visual education, Supt. Oster; budget and finance, Mrs. John Oster; hospitality, Mrs. Roy Dowel; pianist, Mrs. Leonard Warning music, Mrs. C. L. Klaesing; historian, Mrs. Elmer Goldenstein; membership, Mrs. Wilhard Sayers and summer roundup, Mrs. Maynard Brockman.

Room mothers will be on the north side: first grade, Mrs. John Olson and Mrs. Vernon Kammerer; second Mrs. George Vally and Mrs. Wilfred Sayers; third, Mrs. Robert McCleary, Mrs. John Peterson; fourth Mrs. Carl Ryden, Mrs. James Campbell; fifth, Mrs. Carmel Eriksen, Mrs. Glenn Donaldson.

Room mothers south side: first grade, Mrs. Carl Fosnaugh, Mrs. Charles Ball; second, Mrs. June Duffy, Mrs. Wendell Cooper; third, Mrs. Stanley Ekedahl, Mrs. James Hammond; fourth, Mrs. Phyllis McCoy, Mrs. George Ruhl; fifth, Mrs. Charles Werner, Mrs. Irma Long; sixth, Mrs. Amos Bruns, Mrs. Ted Rowsell; seventh, Mrs. Roscoe Ridgeway, Mrs. Steve Terrando; eighth, Mrs. Stanley Pilmore, Mrs. Herbert Duerr.

Cook books are available by calling Mrs. Earl Ullrich at New Lenox 2812.

A social hour followed the meeting. A decorated May pole centered the serving table surrounded by dolls and colored streamers.

Fertilizer Called 'Good Buy,' Liberal Use Urged
To Beat High Fixed Costs and Lower Crop Prices

COMMERCIAL fertilizer is an "excellent buy" and should be applied liberally to responsive crops to beat the squeeze of high fixed costs and lower farm prices, according to Ed. Longnecker, Michigan State College soil specialist.

Longnecker pointed out that in the present period of declining farm prices increased crop producing efficiency is vital if reasonable farm profits are to be obtained. This can be accomplished, he said, only if soil productivity is maintained or increased economically.

He recommended several steps to good soil management. First, he advised eliminating crops from land where such crops grow poorly. He advised, too, that a soil test be made of each field at least once during the crop rotation. The results of these tests can be considered in planning the fertilizer program.

Fertilizer should be applied to responsive feed crops such as oats, barley, wheat and alfalfa and to corn when grown on well suited land; also to responsive cash crops, particularly potatoes, sugar beets and wheat. As cash crop prices decline, such acreage should be reduced and the acreage of productive sod crops increased, he said.

Longnecker recommended adding fertilizer to permanent pastures to increase production. This is particularly important on poorly drained mineral soils and muck soils. He also suggested eliminating excess tillage that adds expense and increases crop production costs per acre. Michigan tests have shown that plowing, leveling and packing will

Well-fed soil produces bumper wheat yield.

give as good or better crop results as seedbed preparation that includes double disking and spike-tooth harrowing.

Conservation of soil and water are vital, he said. On rolling cropland this may require one or a combination of practices such as cover crops, sod waterways, contour tillage, strip cropping, diversions or terraces. Where wind erosion is a problem, field strip cropping and windbreaks may be necessary.

He recommended further that crop residues be returned to the soil either as surface mulch or by plowing under. Manure should be carefully stored to reduce leaching and decomposition losses. Medium applications of manure to fields at frequent intervals, he said, are preferable to heavy application less frequently.

Plant Food Pays 'Double-Barreled' Dividend:
Boosts Crop Yields and Adds Organic Matter

Thick topgrowth means abundant organic matter for the soil.

ADDING plenty of fertilizer to the soil is an investment that pays a "double-barreled dividend," declared the Middle West Soil Improvement Committee, in citing a recent statement by Dr. Norman J. Volk, associate director of the Purdue Agricultural Experiment Station.

Dr. Volk points out that plant food not only helps produce higher crop yields at a lower cost per acre, but it gives more corn stalks, more straw and other crop residues. These leftovers have a high value as raw materials for making organic matter.

To get the top benefit out of these extra crop residues, you have to be sure to return them to the soil, Dr.

Volk advises. Don't burn them or haul them off. Put them back in the earth.

The more crop residues you return, the more organic matter your soil will have. And with a high organic matter content, your soil will make more efficient use of every pound of fertilizer you apply. This will mean high crop yields, providing in turn a bigger supply of "makings" for additional organic matter.

Then if you combine these steps with a crop rotation built around deep-rooted legumes and the regular return of barnyard manure, you will have an "all-star" soil building team which will maintain and increase organic matter supplies. Well fertilized legumes such as alfalfa or sweet clover have deep-probing taproots that "plant" mineralized organic matter down in the soil. These roots sometimes penetrate as far as four to five feet below the surface. They make trail-blazing paths for air and water and the roots of other crops. When such legumes are plowed or disced under they add important quantities of organic matter.

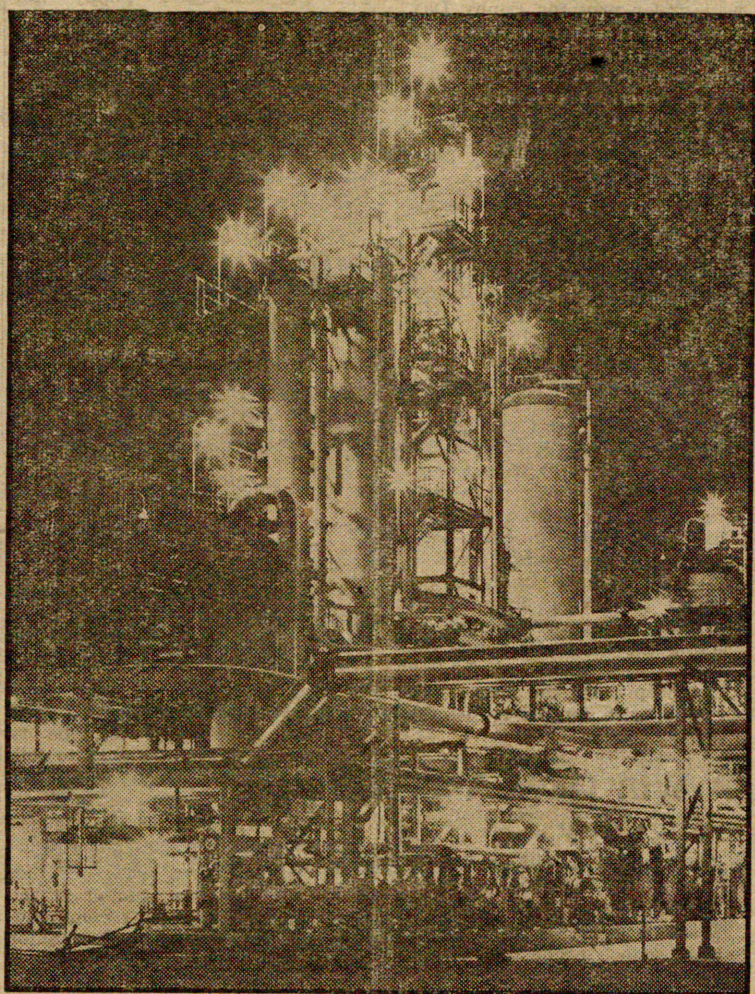

Regular additions of organic matter to the soil from all these sources will improve its texture and tilth. Such soil will have the sponginess needed to grab and hold large quantities of water. It will be porous, well drained and ventilated. It will have "built-in" protection from erosion, costly runoff of water and losses of topsoil.

Dearborn, Mich.—In less than two and a half years, Ford Motor Company employees who have submitted suggestions for improving their own jobs have divided more than \$325,000 in cash awards. The average award was \$53.89. A total of 22 employees have received the maximum award of \$1,500. The awards are based on a percentage of savings effected by the suggestion.

Upon acceptance into the International Wheat Agreement, West Germany will have an import quota of 67,000,000 bushels of wheat for one crop year, says the U. S. State Department.

Farm stocks of feed grains on April 1 were the second largest on record, reports the U.S.D.A.

City use of water averages about 200 gallons per person each day, according to government estimates.

DOLL INTERESTS CHILDREN—Even the boys show interest as one of the girls of the Foster Parents' Plan for War Children in Athens, Greece, receives a doll from America. The Greek kids were given clothing and food also, but the doll seemed to steal the show. It's a rare thing among the children, most of whom have had little time for playing games.

CHAMP CLAM EATER IN ACTION—Dick Taylor eats 272 clams in Seattle, Wash., to win the title of champion clam eater. An attendant pours another bucket of clams on Taylor's plate as the winner continues to eat without breaking his stride. Taylor ate the clams in just 10 minutes.

The 1951 Kaiser is here!

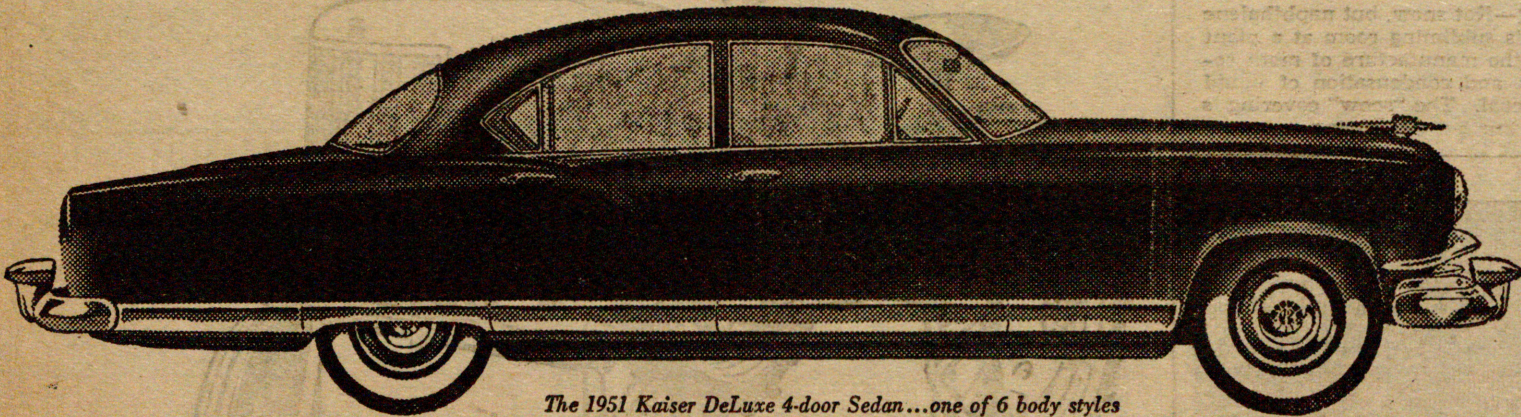

America's newest car!

America's most glamorous car!

Triumph of Anatomic Design*

The 1951 Kaiser DeLuxe 4-door Sedan...one of 6 body styles and 12 models. Hydra-Matic Drive available in all models at extra cost.

*Anatomic Design... (Ana-TOM-ic)...is the newest, most advanced step in motor car making. It is the principle of engineering the anatomy of the car, every feature of the body and chassis, to suit the needs of human anatomy in a way never before achieved. It results in a car that is easier to control, more comfortable, safer for you and your family to ride in.

And here it is...the first car in America built from roadline to roofline on the principle of Anatomic Design!

Like riding "outdoors"! Largest windshield, slimmest corner posts in any car...no "blind spots"!

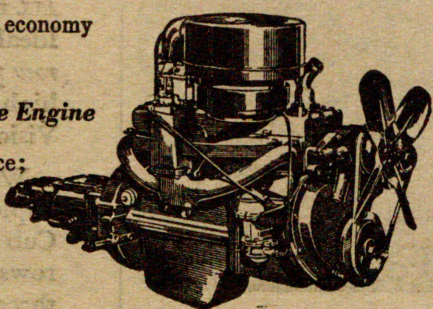

Most room ever! High-Bridge Doors offer new walk-in ease. Single-Roll Body provides extra wide, lounge-comfort seats, more head room and leg room.

Easiest ride on the road! A Level-Flight Ride...because exclusive spring suspension takes up road shock!

Here's super-safety! Lower center of gravity and Truline Centerpoint Steering let the '51 Kaiser take curves faster, safer! Oversized jumbo brakes make stopping surer, swifter!

Value that holds up! Years-ahead newness and economy of operation save you money and assure lasting protection for your investment.

New 115 h.p. Kaiser Supersonic High-Torque Engine gives you faster acceleration; less vibration with higher compression, quieter, smoother performance; more driving power per horsepower, lower gas and oil consumption.

Built to Better the Best on the Road!

Legion Frankfort, Ill.

Notes Bobzin-Swinford Post 1098

The Illinois American Legion will promote a statewide essay contest for the winners of school medal awards in elementary and secondary schools, Merle E. Schaad, Princeville, state Legion commander, announced today.

\$1500.00 in prize money will be given for school medal award scholarships to the contestants writing the best essay on "How The American Legion Can Best Serve The Community", Schaad said.

All students in grade and high schools who win the American Legion medal awards, or certificates of honorable mention, this school year, (1949-1950) are eligible to compete in the state-wide contest, he said. The local Legion posts present the awards annually to the boy or girl graduate who best displays outstanding qualities of honor, courage, scholarship, leadership, service, companionship and character.

There will be two separate contests: one for the graduates of high schools and another for the graduates of elementary and junior schools. The high school contest offers \$600 for first place, \$300 for second place. Elementary and junior high school students will compete for a \$400 first prize and \$200 second place award. Essays must not exceed 1000 words.

Commander Schaad named Superintendent of Public Instruction, Vernon L. Nickell, of Springfield, as chairman of the Illinois Legion's committee on school medal award scholarships. This committee will act as judges of the contest. Entries must be received not later than August 15, 1950.

Other members of the committee are: V. J. Allen, Roodhouse, state Legion school medal awards chairman; Elwood M. Libonati, Chicago, State Legion Americanism chairman; Edward Clamague, Chicago, state Legion anti-subversive committee chairman; Douglass R. Bey, Norman state Legion educational commission chairman; James W. Crowe, Chicago, educational advisor to the state Legion's rehabilitation commission; and Alexander E. Lawson, Springfield, educational advisor, Legion rehabilitation commission.

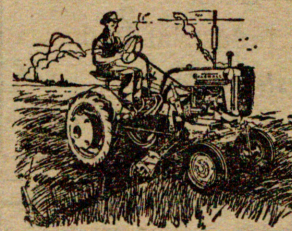

The Bobzin-Swinford Post 1098 of Frankfort, will again present the school medal award to the outstanding girl and boy of the graduation class of the Frankfort Public school. This will be the second year the local post has presented these medals to the girl or boy that has shown to his or her classmates the outstanding qualities of honor, courage, scholarship, leadership, service, companionship and character.

DOUBLE CHECK—Black-and-white checked wool, fitted snugly to the hand and wrapped about the wrist in a casual bow, makes a charming daytime glove, shown at the annual glove-makers' exhibition in Paris. The glove is teamed with a jaunty visored cap of the same fabric.

Converting a grass and legume crop to silage makes it possible to use the lush surplus pastures of May and June to supplement short pastures later in the season, according to University of Illinois dairy specialists.

Forty-two percent of the land area in Illinois is drained by the Illinois river or its tributaries. To grow one bushel of corn, 5,000 gallons of water are required by the cornstalks. The incubation period for hog cholera is from seven to 12 days.

A DOZEN USES for your CUB-22 mower!

You'll find the Farmall Cub-22 mower handy and useful all summer long, all around your farm. It's easy to handle in small, irregular plots or close corners... easy to cut close to trees or fences. Side-mounted, you see where you're mowing. 4½-foot cutter bar raised and lowered by Farmall Touch-Control (or hand control)... cuts 1½ acres an hour. Available now. Come in and let's talk it over.

power saw, leveling and grading blade and bucket scoop. Use any or all, on less than three quarts of fuel an hour! Just call us for a free demonstration and full information about the Income Purchase Plan—up to 24 months to pay.

See what a Farmall Cub can do:

Easily handles a 12-inch McCormick attached plow; plants and cultivates one row of corn or other wide-row crop, two rows of beets or beans, four rows of vegetables. Pulls 4-foot tandem disk harrow, 4½-foot spring tooth harrow. Mows 4½ feet with cutterbar or 3-gang lawn mower. Hauls trailers, wagons, spreaders, rakes. Belt pulley powers feed grinder, sheller, saw, mixers. With leveling blade or bucket scoop, maintains roads and drives, does landscaping, clears roads and drives of snow.

YOUR LOCAL INSURANCE AGENT SERVES as well as SELLS

As a local business, your insurance agent does not merely "sell you insurance." He BUYS Protection for you from the companies he represents and he does this on a most economical basis, consistent with sound underwriting principles.

His job is to be certain that you have adequate protection at all times. It is a local job, handled most effectively by a local insurance agent.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

Miss Margaret Hostert attended the wedding of Miss Lenore Kotz in Chicago recently.

Rev. and Mrs. W. J. Cramer, Mr. and Mrs. V. W. Kreimeier of Melrose Park and Mrs. Lillian Hofman and Mr. and Mrs. August Reiter and son Terry of LaGrange and William Junker spent Sunday at the Arthur Beagley home.

Mrs. Albert Lorenz held a lingerie demonstration in her home last Monday night.

Elmer Libners' mother is a patient at South Chicago hospital under observation and tests.

Mrs. Elmer Libners' father and brother from Wisconsin were Mother's Day guests in their home.

Mrs. Ralph Jorgensen broke a finger and sprained another in a freakish accident when she struck her hand against a side wall recently.

Mr. and Mrs. Merrill Cooper and daughter Cynthia drove to Battle Creek, Mich. to spend Mother's Day with her folks. Miss Viola Van Horne, aunt of Mrs. H. Adele Cooper, rode along and stopped in Michigan City to visit friends.

Mr. and Mrs. Floyd Cooper entertained at a Mother's Day dinner in their new home. Guests were, Mrs. H. Adele Cooper, Mrs. Edwin Cooper, great grandmother of Floyd's son, and Mr. E. Harwood of La Grange; Mr. and Mrs. Ronald Jackson, parents of Mrs. Cooper, Mr. and Mrs. Ted Jackson and also an aunt of Jerry Cooper's from Ohio.

Mrs. Ray Heald underwent a goitre operation Monday May 8 in Silver Cross hospital in Joliet. She is also suffering with diabetes. She is reported feeling much better and hopes to be home within another week.

Joseph Sajack was operated on in St. Joseph's hospital, Joliet, Tuesday May 9. He is recuperating nicely.

Mrs. Herman Uthe expects to undergo surgery at Little Company of Mary hospital sometime this week.

Mr. and Mrs. R. V. Braun of Marion, Ohio were recent guests of her parents, Mr. and Mrs. A. S. MacKenzie on 143rd street.

Captain and Mrs. Alexander Mac-

COCONUT GAVEL—J. Hugh Jackson, president of the Kiwanis International, holds a huge gavel with the head of a coconut, before the opening of the 1950 convention of his organization in Miami, Fla. The gavel was presented to him by members of the Kiwanis Club of Lake Worth, Fla.

Kenzie of St. Louis, spent Mother's Day with his parents Mr. and Mrs. A. S. MacKenzie. Capt. MacKenzie is in the Army Air Corps at Scott Field.

Monday evening May 9 Mrs. McIntosh Sr., Mrs. John McIntosh and Mrs. George McKeane attended a bridal shower in Roselle in honor of Mrs. McIntosh's niece.

Mr. and Mrs. R. P. Brennan have arrived home from Florida. They had a wonderful vacation but report they are very happy to be back.

Mrs. Hilda Geuther has returned to the Orland Park Community high school after a prolonged illness to resume her duties as Home Making teacher. During Mrs. Geuther's absence, Mrs. W. S. Brown has been substituting for her.

The Orland Park Junior Womans' club report that they have received registrations of 15 children for the nursery school, and expect more for the fall session.

here's a big opportunity for you girls!

It's easy to enter the big VFW Beauty Contest. All you have to do is send us your photograph with your name and address. No votes to get—no tickets to sell—no work to do—but lots of prizes and glory to win. Read these easy and simple rules to follow:

1. All girls 18 to 30 years of age, unmarried and residing in Tinley Park or vicinity are eligible to enter.

2. To enter this contest merely submit any photo or snapshot to:

Will Mager, Commander
VFW Bremen Post
Tinley Park, Illinois

Name and address must be clearly printed on reverse side of photograph.

3. All photographs must be postmarked by midnight May 31, 1950. If you wish your photograph returned, please indicate so on the reverse side.

4. From photographs submitted five girls will be selected as semi-finalists. These five girls are to appear in person for final judging at the Tinley Park Homecoming on June 7th.

5. Winner will be declared "Miss VFW of Tinley Park", and will automatically be entered to compete for the title of "Miss VFW of the Third District Department of Illinois," at the Tinley Park Homecoming on June 10, 1950.

6. In addition to the list of prizes shown below, winner of the title "Miss VFW of the Third District" will be sent to the Illinois State Department Encampment of the VFW at Rock Island, Illinois, June 17th, with all expenses paid to compete for the title of "Miss VFW of Illinois."

"Miss VFW Third District" will receive as prizes a complete summer wardrobe including suit, shoes, purse, bathing suit, gloves, hose, permanent wave, portrait photograph, voice recording and numerous other gifts.

"Miss VFW of the Department of Illinois" will receive a complete wardrobe and many other gifts at Rock Island. She will also have a part in the Hollywood Film "Convention City" and will compete at the National Encampment in Chicago on August 27th for the title of "Miss VFW of America."

NOTICE

State of Illinois,
County of Will, ss.

In the Circuit Court of said County
In the Matter of the Petition of
Edward Nelson Miller to change
his name and the name of his
wife, Mary Miller

Public notice is hereby given that

here's a big opportunity for you girls!

It's easy to enter the big VFW Beauty Contest. All you have to do is send us your photograph with your name and address. No votes to get—no tickets to sell—no work to do—but lots of prizes and glory to win. Read these easy and simple rules to follow:

1. All girls 18 to 30 years of age, unmarried and residing in Tinley Park or vicinity are eligible to enter.

2. To enter this contest merely submit any photo or snapshot to:
Will Mager, Commander
VFW Bremen Post
Tinley Park, Illinois
Name and address must be clearly printed on reverse side of photograph.

3. All photographs must be postmarked by midnight May 31, 1950. If you wish your photograph returned, please indicate so on the reverse side.

4. From photographs submitted five girls will be selected as semi-finalists. These five girls are to appear in person for final judging at the Tinley Park Homecoming on June 7th.

5. Winner will be declared "Miss VFW of Tinley Park", and will automatically be entered to compete for the title of "Miss VFW of the Third District Department of Illinois" at the Tinley Park Homecoming on June 10, 1950.

6. In addition to the list of prizes shown below, winner of the title "Miss VFW of the Third District" will be sent to the Illinois State Department Encampment of the VFW at Rock Island, Illinois, June 17th, with all expenses paid to compete for the title of "Miss VFW of Illinois."

"Miss VFW Third District" will receive as prizes a complete summer wardrobe including suit, shoes, purse, bathing suit, gloves, hose, permanent wave, portrait photograph, voice recording and numerous other gifts.

"Miss VFW of the Department of Illinois" will receive a complete wardrobe and many other gifts at Rock Island. She will also have a part in the Hollywood Film "Convention City" and will compete at the National Encampment in Chicago on August 27th for the title of "Miss VFW of America."

**Public Service to
Send Bills by Post
Cards Starting June**
Beginning next month, local res-
idents will receive their gas and
electric bills by postal card in place
of the present envelope enclosed bill
form. It was announced today by
H. W. Carnright, district superin-
tendent for the Public Service com-
pany of Northern Illinois.
Change to the new postal card
bill—designed to help offset a con-

tinuing rise in operating costs—was
authorized recently by the Illinois
Commerce commission. Use of the
new postal card follows a scheduled
revamping of the automatic billing
machines which print the monthly
service bills. Mr. Carnright said the
new type bills would go to all res-
idential and most commercial gas
and electric users.
As of last month, the Public Ser-
vice company was serving about
450,000 electric and 230,000 gas cus-
tomers in 350 northern Illinois com-
munities across a 6200 square mile
area. All but about 5,000 of these
were classed as residential, rural or
small commercial users. The change
to postal card bills for these groups
of customers will reduce billing
costs by a substantial amount an-
nually, Mr. Carnright stated.
"It is another move in our con-
tinuing program of economy to help
offset rising operation costs," he
said, "and is necessary if we are to
keep on giving the best service pos-
sible at the lowest rates possible."
It is estimated that over twelve
million postal card bills for utility
services are now being issued in the
United States and the number is
increasing steadily. In addition,
many municipalities are sending wa-
ter bills on a postal card form.

IAA PRESIDENT MAKES EUROP'N TOUR FOR AFBF

Chicago, May 4—Charles B. Shuman, president of the Illinois Agricultural Association, is going to get a first hand look at farming conditions in Europe.

Shuman sailed from New York May 9 on the Queen Mary for a trip to England, Germany, France, Denmark and Sweden. He will be gone seven weeks.

He is making the tour in order to represent the American Farm Bureau Federation at the meeting of the International Federation of Agricultural Producers in Saltsjbaden, near Stockholm, Sweden. Following the convention Shuman will tour the other countries. He is accompanied by his wife.

The Shuman's trip will take them first to Liverpool, England, where they will dock one week. After a visit through England, they will join the Agricultural Producers convention group from May 20 to June 8. The tour will then take Mr. and Mrs. Shuman through Germany and France, from where they will leave for home June 20. They are scheduled to dock in New York June 27.

County Soil Survey Summer Work Begins

Wayne Churchill, County Farm Adviser, says that a crew of five men have started to work in the Manhattan vicinity, making soil maps. The southern and eastern part of Will county have been mapped for the state soil survey during the past two summers, and it is hoped to complete the mapping of the remaining half of the county by the end of the summer of 1951.

Illinois, is in charge of the work. Assisting him, also from the state soil survey office, are John Alexander, Bert Ray, and Dick Rust. Homer Kador, of the soil conservation staff, will again assist the university men in the soil mapping work.

As soon as the entire county has been mapped, the state soil survey will publish a detailed report which will include up to the minute soil data for Will County. This will prove very valuable for many years to come.

God and Our Rights

Lesson for May 21, 1950

CIVIL RIGHTS are now a political football in the United States. Every legislator likes to be known as favoring them. Everybody seems to be all out for rights for everybody. Then why isn't everybody satisfied? The truth is, a lot of us just talk. When it comes down to political facts, the people who get their "rights" recognized first are the people with the most votes. The little people, especially if they haven't too many votes, are likely to be stepped on.

Dr. Foreman

Cannibal Country

THIS IS NOT a new problem. Long ago the prophet Micah faced it, said some brave words about it. He was a small-town man living in a village near the Judah-Philistine border line. Judah was at that time mostly rural. The villages were made up of farmers, who did not live on their farms as we do but lived all together for protection, going out into the country by day to work their farms, coming back to the village at night. None of them owned very much land, and few indeed were rich.

There was just one big city in Judah, Jerusalem the capital. Compared with the rest of the country it was immense and enormously rich. Now it does not take two guesses to know how Judah, as a nation, was run. Jerusalem ran it. The big city was growing richer and richer while the country grew poorer and poorer.

The small farmers were losing their lands and becoming tenants or hired men (2:1-2). Micah even talks of the princes of Israel, the aristocracy, as cannibals, eating the flesh of the people.

Half Slave, Half Free

NO COUNTRY is a good country, no country is in a healthy condition, if one part of it is tearing the other part down. If the strong are living off the weak, the whole nation grows weak. Micah saw that exactly; indeed, he predicted that because of the kind of country it was, half oppressed and half oppressing, it would be destroyed. No enemy of his country, he did not enjoy forecasting its downfall. But he loved people, he loved his country neighbors; he could see what was happening to people who were being crushed down into the dirt, he knew that could not go on and on without a smash. (And it came!)

This has been the story over and over again in the history of nations. When the few grow strong at the expense of the many, when wealth is concentrated in a few cities, or in a few individuals or families, look out!

When this goes on for a long time and becomes a sort of national habit, the nation may not fall at once but becomes a pushover for anybody who wants to take it. Why, for instance, was the downfall of the "Nationalists" in China so swift? It was because the Chinese people had become convinced that the political leaders and their wealthy backers were in it for what they could get out of it.

Why did so many Nationalist troops fail to fight, why did they surrender repeatedly without striking a blow? Because armies are made of common men, and the common man has been taking a beating too long. There is very little patriotism in a beaten man.

We Have Our Own Problems WE ARE FORTUNATE in that we live in more democratic times and lands. It should never be forgotten that democracy is a fruit of the Jewish-Christian tradition which the prophet Micah helped to form. It was the prophets who plowed deeply the soil out of which democracy has grown.

Many of the laws of our land are intended to keep the strong from eating up the weak. The farmer, the man out of work, the man with the small job, the man with the small business—they are protected under our government, whether in Canada or in the United States, as they never were in ancient Judah.

To test whether we are treating others right, especially those who are weaker than ourselves, we need first to ask these basic questions: Do these people get their share of justice, and are we helping them get it? Do we treat them with mercy or do we only "use" them for our own benefit?

Do The Big Trucks Pay Their Own Way?

For some time newspapers, state officials, highway experts, the American Automobile association, and other qualified individuals and organizations have been warning the public that BIG COMMERCIAL TRUCKS are wrecking the nation's highways, and paying only a small part of the road construction and upkeep costs which they rightfully should pay.

The alibi of the spokesmen for the BIG TRUCKS is cunning—but it quickly falls to pieces under the most casual scrutiny.

They claim that "trucks" pay more than 32% of highway-user taxes. But here's the catch. They include all trucks—more than 6,300,000 light trucks—mostly farm and local delivery trucks—which are completely innocent of the charges brought against the mammoth jobs and the tractor-trailer combinations! These "innocent" trucks are seen crawling up hills and roaring down grades, 24 hours per day—hide behind the skirts of the small, inoffensive light trucks.

What, then, is the TRUE story?

1. Only the 370,000 BIG TRUCKS are charged with failure to pay a fair share of highway-user costs. There is no complaint against the lighter trucks.

2. To determine how much these BIG TRUCKS should pay, it is necessary to determine both the proportionate use they make of the highways and the additional highway expenditures they necessitate.

3. The proportionate use the BIG TRUCKS make of the highways can be determined with reasonable accuracy. There is no conclusive measure as yet of the additional and extraordinary costs which everyone knows are incurred because of the BIG TRUCKS, such as wider and stronger pavements, cutting down grades to reduce truck-caused congestion, flattening out curves to reduce accidents, and higher maintenance costs.

4. The United States Public Roads Administration in an exhaustive survey covering 1947 (the last year for which figures are complete) found that the BIG TRUCKS rolled up 309½ billion gross ton-miles that year—or 30.2% of the Total for All

Vehicles.

5. It is clear, then, that the BIG TRUCKS were responsible for at least 30.2% of the costs of construction and maintenance of highways and streets in 1947.

6. Actually the BIG TRUCKS pay far less than 30.2% because that is about the part of highway-user taxes that their spokesmen claim is paid by ALL of the trucks—6,630,000 Light and Medium Weight Trucks and the 370,000 Big Trucks. Clearly the Big Trucks are hiding behind the skirts of the lighter trucks.

7. All recent studies show that automobiles and the lighter trucks are paying several times more per ton-mile of highway use than the BIG TRUCKS.

8. One of the latest studies—prepared for the Citizens Public Expenditure Committee of New York State—determined that "passenger car payments are over four times as great as the heavy truck payments on a ton-mile basis." Passenger cars paid 23 cents per 100 ton-miles. BIG TRUCKS paid 5 cents!

The subsidy comes out of the pockets of the Private Automobile Owners, the Owners of the Lighter Trucks, and the General Taxpayers.

The solution to this unfair, un-American situation is to pass laws which will require the BIG TRUCKS to pay their fair share of highway costs to stand on their own feet—to pay their own way.

That is what is required of the

railroads with whom the big trucks compete.

What others say—Billions of dollars worth of the nation's finest highways are being pounded to pieces by overweight and overloaded commercial vehicles.—American Automobile Association.

The chief destructive factor of highways is overloading (of heavy trucks).—Thomas H. MacDonald, U. S. Commissioner of Public Roads.

Big trucks in this state are responsible for 55% of the total cost of new highway construction—Chief Engineer of Highways, State of California.

In one state a study was made on two sections of the same road, one part of which was subjected to heavy trucking while the other carried a normal traffic flow. The study showed that annual upkeep costs on the road traveled by normal traffic were \$350 per mile, whereas on the section subjected to heavy truck traffic, those costs jumped to \$4,900 per mile.—Harold C. Ostertag, New York Assemblyman and Chairman, 14th Annual Northeastern Regional Conference on Highway and Motor Vehicle Problems.

Private Automobiles in this state are paying three times more tax per ton-mile than the largest type truck.—Highway and Traffic Problems Commission of Illinois.

It costs us \$4,900 to maintain a truck highway and only \$350 a year to maintain a highway for automobiles.—Governor James Duff of Pa.

Still the leaders of the Railroad

Firemen's

Union say—

NO! NO! NO! "STRIKE!"

This ridiculous strike is an affront to every citizen of the nation. It's not for more money. It's not because of hours. It's only for soft feather-bedding spots for additional unnecessary firemen to go along in diesel locomotives just for the ride. A leading liberal newspaper calls the demands of the union leaders "horse-feathers"!

• The reckless leaders of the firemen's union want to force down the throats of the railroads and the public a ridiculous "make-work" proposal which has been twice ruled out by Presidential Fact Finding Boards duly appointed under the provisions of the Railway Labor Act.

This demand of union leaders for additional and unnecessary firemen to ride in diesel locomotives was rejected—after months of hearings—by a Board appointed by President Roosevelt in 1943.

It was again rejected in 1949 by a Board appointed by President Truman.

Recent meetings with the National Mediation Board have brought no change in the attitude of the union dictators.

Union Leaders Defy Intent of Law

The union leaders helped write the Railway Labor Act. Yet in an attempt to jam through this scheme of pure

"feather-bedding" by leading the members of their union out on strike and threatening paralysis to large areas of the nation, they are defying the spirit and intent of the very law which they helped to create.

This strike is not for higher wages. It is a strike to force the railroads to employ many more thousands of firemen who are not needed! It would be indefensible waste. The railroads have refused to place this additional and unnecessary burden on the public.

But more important than any other consideration, is the action of these few irresponsible union leaders in seeking to force a crippling strike upon the

This strike is one of the silliest strikes in history!

What are these reckless union leaders trying to do? They seek to cause thousands of their members to strike, and throw hundreds of thousands of other employees on and off the railroads out of employment, with loss of pay to them and their families, plus a severe blow to industry and the citizens of the nation.

What's the strike all about? If the union has its way—what happens? The present members of the union won't get one cent more pay. They will merely have been assessed for a costly and indefensible drive in an attempt to provide more dues-paying members for the union by creating "feather-bedding" jobs for additional and unnecessary firemen.

This is certainly one of the silliest strikes in history!

nation for their own selfish purposes.

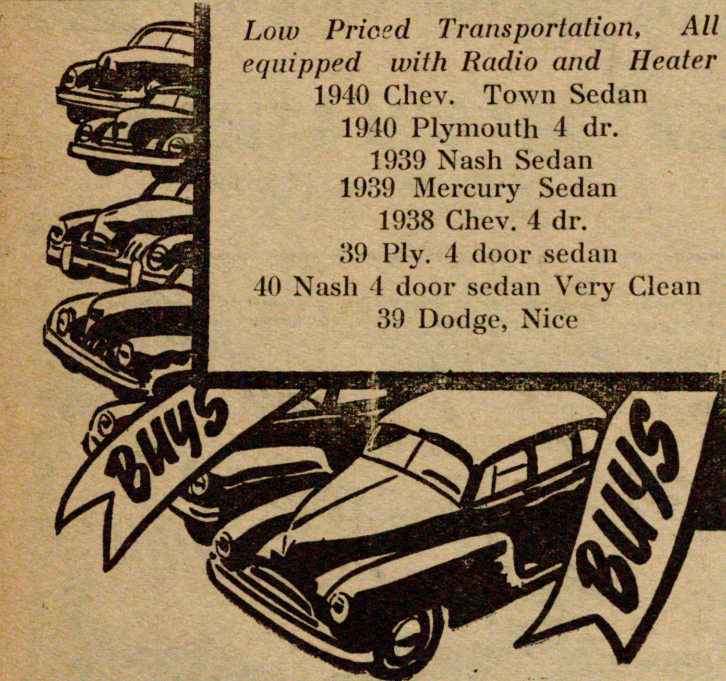

There is no other possible answer to such a demand but "No!"

The railroads in making such a reply believe they have the whole-hearted support of the people in whose interest they are willing to fight this out, despite the loss and inconvenience that all will suffer.

It is time to put an end to such un-American demands.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

**ECONOMICAL POWER
MAXIMUM EFFICIENCY**

"69" HARVESTOR and the MODEL "R" TRACTOR

The Model R and a "69" Harvester are a perfect harvesting combination. The R always has plenty of reserve power when the going gets tough. It's better to have plenty of power than not quite enough when you need it. The "Finger-tip" hydraulic controls of the R teamed with the "69" make harvesting a one-man operation. The Vision-lined design of the R lets you see what you're doing. The smooth riding qualities... easy steering... hand operated clutch... quick-acting brakes... make the job less tiring on long work days during harvest.

You'll be wise to check the many features of both the R tractor and the Harvester "69" before your harvesting problems arise. Both machines are designed with traditional MM quality for economy and dependability in operation. And remember, special equipment is available to adopt this "harvesting team" to your particular conditions... no matter what.

UNEQUALLED SIMPLICITY—

...The Basic Reason for the JOHN DEERE'S Outstanding Economy, Dependability, and Long Life

In terms of economy, field dependability, and long-lived performance, you just can't beat a John Deere Tractor.

Here's why! Exclusive John Deere two-cylinder design provides unequalled simplicity and strength. Parts are fewer, heavier, and better able to withstand the grueling strains of farm work for a longer time. Parts are more accessible; adjustments are easier to make... repair and overhaul expense is much lower.

But economy of maintenance isn't all. John Deere Tractors have proved themselves misers in fuel consumption, thanks to their outstanding cyclonic-fuel-intake engines, available in gasoline or oil-fuel types.

Add up all the advantages a John Deere Tractor offers you—lower operating costs, increased profits, greater freedom from costly field delays, more years of service. You'll do well to choose a John Deere! Get the complete details from us—soon.
